USEFUL INFORMATION

Please arrive a little before your booking time so you have time to park, settle in, and direct your guests to the party area.

Party Space: Our party area is in our covered back area, please see photos attached to get an idea of the space. The long table in the middle is reserved for the party, if you need other tables in the area reserved to accommodate your guests, please let us know. Please know that this area is still accessible to the public.

Parking: We ask birthday party guests to please park in our campground area. The entrance to this is to the left of the barn straight across the carpark. Please park on the gravel, not the grass.

Toilets & Baby Change: Toilets are located by the café. Baby change facilities are available in both the men's and women's bathrooms. You can also use this area to wash hands after interacting with the animals.

Footwear & Weather: As Flat Hills is an outdoor venue, please come prepared for the weather. We recommend sunscreen and hats in warmer weather, and jackets or raincoats if needed. Covered shoes or gumboots are recommended, especially if the ground is wet and you are going to interact with the animals.

Pets: Please do not bring dogs or other pets with you.

Smoking: Smoking is only permitted in designated smoking areas.

Setting Up: Some people like to set up their own decorations and party games/pinata, this is no worries, just please ensure you take everything down before you leave. No confetti please.
